

## LTP 13 PLUS

### LOW-FOAM STRONG CLEANING AGENT

5L, 25L

#### AREA OF USE

- Means of transportation, engines, printing equipment, ship exhaust manifolds, ship decks, fuel cistern wagons, agricultural machines, trailers. Everywhere with a problem of hard-to-remove stains.

#### CHARACTERISTICS

- Effective on highly soiled surfaces and complex objects. Although highly effective, this cleaning agent does not damage painted surfaces, etc. Efficiently and easily removes oil, fat, soot, road salt, printing dye, lubricants, etc. Works efficiently in cold water as well. Doesn't contain petroleum products. Brownish liquid, fully soluble in water. Biologically decomposing.

#### DIRECTIONS OF USE

- Put the water solution onto the soiled surface; let it work for a few minutes and then rinse with clean water or with a washing jet. Keep from freezing!

#### DOSAGE

- 1:5 – 1:10 for motorised equipment, engines and components, trailers;
- 1:20 – 1:50 means of transportation, ship decks, and agricultural machines.
- 1:50 – 1:100 daily washing with water (floors, walls).

#### INGREDIENTS

- Potassium phosphates, sodium acetates, sodium silicates, <5% non-ionic surfactants, butyl glycol, <5% cationic surfactants.

pH 12

#### WARNINGS

- In case of eye contact flush with water for 15 minutes and seek medical help;
- Keep out of children's reach;
- Irritant to skin and eyes;
- Wear protective gloves and protective glasses.
